VALLEY LUTHERAN  
CHURCH**

## The DD Souper Saturday Auction

Desert Division of the Train Collectors Association is pleased to host an Auction near Super Bowl weekend. But we do it a little differently, Our members bring in a variety of delicious, home made soups to share with attendees during lunchtime at the auction. So, we call this auction our SOUPER SATURDAY AUCTION! We offer the opportunity to purchase at auction, a wide variety of trains and accessories from several consigners. Many are in their original boxes.

The auction will be held on Saturday January 19 in the hall of the Valley of the Shepherd Lutheran Church in central Phoenix. The hall will be open for viewing of all items at 8am on Saturday. The auction begins promptly at 9am. Items may also be viewed during the noon hour break.

Only the purchase of an auction catalog is required for admission. There is no buyer's premium.

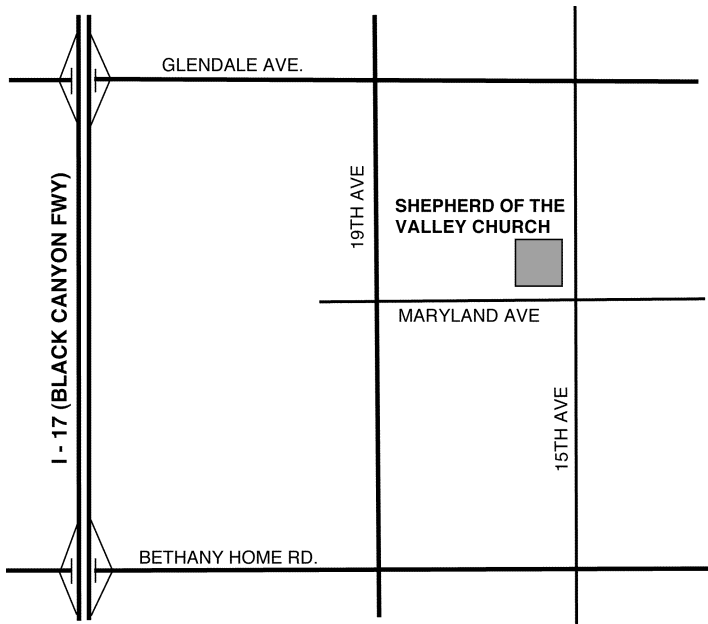

All items will be sold in lots as described in this catalog. Note however that a full description cannot be made here, nor is there any warranty as to the mechanical condition of any item. Buyers are strongly advised to examine each item of interest during the inspection hour or when the item is being sold.

All bidders must have a bidder's card. Each successful bid will be entered into a journal kept by the Treasurer. Decisions on bidding and successful bids will be made by the auctioneer and will be final. The minimum bid increment up to \$100 will be \$1, over that amount it will be \$5.

You pay for your merchandise at the conclusion of the auction as noted above. You will be given a printout with all your purchases and the prices paid. Your purchases will be verified and when you complete payment, your purchases will be delivered to you.

Items are sold as is. **Although known defects will be noted by the auctioneer, you should examine all items before bidding.** Purchases are final upon payment and receipt of your purchases. Any returns or adjustments are solely at the discretion of the Desert Division.

- + Items listed without a manufacturer's name are made by Lionel
- + Items that are new and unused will be listed as **New**.
- + Items including the original box will be listed with **OB**.
