## DESERT DIVISION WELCOMES A NEW YEAR

New member Don Stefanis found his way to the Jaycees Hall this month, as did TCA visitors Armond Cecere from New York State and Joel Haberman from Kentucky. The crowd was full of old and new faces, the room was filled with sales tables, and the group exhibited just as much camaraderie as always.

Treasurer Bob Herman announced that there is \$11,290.73 in savings, \$11,770.46 in checking, with \$193.95 used for the Trains for Kids program.

Ed Micale gave the Convention Report. We need to raise money to foot the bill for some Convention items, such as the Welcome Party and Kids Club activities. The Celebrate Arizona cars were designed to raise such funds. The club members need to support this effort, as we have a minimum order that we must attain in order to break even, and more if we hope to make a profit. These cars must be bought as a set, as that is the way Lionel packages them. Suggestion: Someone could “sponsor” a few cars, putting the money up front, then buying them if they do not sell. Also, anyone who wants to serve should contact the Chairpersons listed in the Winter issue of the Dispatch. Marty Wik and Ivan English are working on Convention Cars, which will be presented at the TCA National Convention in 2007. We receive no funds from these cars – all of that money goes to TCA National.

President Katie Elgar asked for volunteers for various committees. Clark McClure will head the Set-up Crew, while Chris and Laurel Allen will take over the Coffee Club. The cell-phone redemption program netted another \$63 for the 2009 National Convention. Members are urged to continue to donate deactivated cell phones.

From time to time we honor members who have had a positive influence on our Division. In January we honored Tom Stange, one of our original founding members, with Life Membership status. Gordon Wilson asked the Division for money to provide bricks in the Desert Division area at the TCA National Headquarters in Strasburg, PA, for our members who have attained Live Membership status since the inception of the program about 7 years ago. Motion: Fred Hunter, seconded by Bob Dennison – “The Desert Division shall allocate \$400 for two silver bricks to honor the Life Members of the Desert Division.” Carried.

The Educational Segment began with Gordon Wilson, demonstrating the skill and craftsmanship of Hallmark Ornaments, with their 2006 Rock Candy Mountain Train ornament. It lights, talks, and has four different programs. Christie Wilson told how she came by the 6-foot tall Polar Express sign. A local hobby shop had it on display when she went to ask for donations for the Turkey Meet. Christie asked for it and was told that she could have it as soon as the season was over. That was two years ago. When she went in for it, it was “in storage” for use again this past year. After the Holiday Season, the owner decided that he was finished with it, and it now resides at the Wilson home. Sam McElwee brought a trolley car which he and his wife display each Christmas. On top are figures which dance on the roof while Santa drives and a violin player moves about the car. It not only has motion, but music as well. Bob Mancus brought in three plates given as safety awards by the Railroad. Each contains a Western scene, and all of them are inscribed on the back. One is from the Atchison and Topeka Railroad, and another is the Burlington Northern Santa Fe Railroad. Jonathan Peiffer got a train for Christmas, so he displayed it this year. It is the scale Williams Congressional set from 1997. He claims he has “a place to run it, but no track and no board to put it on.” It is pulled by a GG-1. Interestingly the combine and baggage cars don’t match the rest of the set, but that is prototypical of the Pennsylvania Railroad. Names on the cars have Pennsylvania history: Thomas Edison, William Penn, Betsy Ross, Molly Pitcher, and Alexander Hamilton.

On a health note, we were reminded that Chuck Archbold, Cole Gibbs, Ron White, and Margaret Butler would all appreciate cards from members. Also Sarah Reed Lavinus, the TCA National Secretary, has health issues. She too might like a card. Bob Bates recently lost his wife, so sympathy cards are in order for him.

Mystery Greeter Doug Gilliatt announced that John Wiley should receive the ten raffle tickets. The first ticket was drawn by Rebecca Peiffer. It belonged to Tom Stange. Raffle prizes were as follows:

Tom Stange	Ready-Made Toys truck with orange and blue cars
Larry Melvin	Street lamp and figure
Bob Herman	<u>Toy Train Treasury</u> – a two-volume set
Bob Miazga	RailKing – Turkish Taffy Box Car
Angelo Lautazi	Scenics for a layout
Sam McElwee	Clock and Railroad Video
Tom Stange	<u>Greenberg Volume VI: Accessories</u>
Ed Micale	Lionel #927 Lubricating Kit
Ken Barnes	<u>Warman’s Lionel Train Field Guide</u>

The meeting adjourned to the home of Angelo Lautazi for a layout visitation.

## PRESIDENT'S MESSAGE

Greetings,

I wish each of you a belated, but sincere Happy New Year. It is hard to believe that we are already into February of 2007, and we are marching along at a steady pace. Just think, only three more months until Spring York, for those who are already counting the days!

For those of you who missed the chance to attend the Holiday Party in December, you missed a great meal, and a fun time. Fred and Shirley Hunter worked with the Marriott in Mesa for an impressive meal! There were raffles, favors, tabletop centerpiece auctions, mystery box auctions, and a visit for the little ones by Santa. Sam McElwee won the Lenox locomotive and caboose that was raffled. We are hoping to be able to return to the same location for the 2007 party.

Don Locke has been doing a great job of organizing folks to allow us to visit their layouts after the meetings. In January we were invited into Angelo Lautazi's home, where we were able to see a hi-rail layout complete with burning buildings, ships in the harbor, a working transfer table and many, many operating accessories. A "tip of the hat" to Don and Thank You to Angelo for opening his train room for us to play in, and Barb who had lots of tasty goodies for us to partake in as well! There will be a visit to another visit after the February meet. March is open at this point, so contact Don (480-854-2546) if you would like to have us over after a meet! Don't forget

to check with Don for the schedule of visits as well. That way you can plan your day!

Each of us has a particular interest in trains that may not be shared by everyone, be it either a certain gauge, era, or a manufacturer. But each is important and a part of being in the train club. The Convention Committee has worked hard to develop the boxcar set that it is currently offered for fundraising. This car set is a limited edition. Unlike the Convention Cars, the sale of this set of boxcars raises funds directly for the Division. Maybe it doesn't fit into your collection, but the Division voted to have the Convention, and this is a way to help raise funds for that Convention. If you have already ordered your set, a great big Thank-you! If not, there is still time. Ordering deadline is February 14. Use the form on page 1 of this newsletter, contact Peter Atonna, or check out the website at [www.tcadd.org](http://www.tcadd.org).

In keeping with a monthly theme, for the February meet, why not share your favorite 'I Love' boxcar, or maybe a Presidential or Valentine special car? I don't recall any Ground Hog's Day cars, which just may have been an oversight on the part of the manufacturers.

Whatever your favorite part of February is, come to the meet on the 10<sup>th</sup> and share the camaraderie which makes belonging to your Desert Division so much fun.

Happy Trains!

## RIO GRANDE CHAPTER NEWS

by Greg Palmer, TCA 94-39039

To say the Rio Grande Chapter has had a lot of snow this winter is an understatement. I have had, since the middle of December, around 24 inches of snow. To top off the weather problems I had to make the difficult move to cancel the January 20th Chapter Meet. I had to decide to cancel the Meet on Friday evening. The snow was just starting and it did snow a couple of inches overnight. However I was glad I did cancel the Meet because around 10:00AM on Saturday it snowed several more inches. That would have been during the Chapter Meet, and the drive home would have been difficult for some. We will move all the activities scheduled for the January 20<sup>th</sup> Meet to the February 17th and March 17th Meets.

At the February 17<sup>th</sup> Meet, I will go over several Standards Committee issues, and Chapter member Everett Hagan will bring his collection of variations of the small 027 boxcars. Art Lites will bring his collection of Lionel Missile Cars to the March 17th Meet. I am also trying to get prospective Division and Chapter member Richard Paul TCA#69-2486 to come to one of our meets to go over his new article in the January 2007 issue of the TCA Quarterly. He plans to join the Division and Chapter very soon. The next Chapter Meets will be very interesting. I encourage members to bring items to show and tell.

As always if you have Standards issues, please bring them up at our Chapter Meets. Dale Schafer and I will be happy to go over any problems or questions with you. I would like to welcome new Chapter members Tim Whalen, Ross Jordan, and George Domeny. I hope to see all of the Rio Grande Chapter members at our next two Meets, both of which start at 10:00 AM at the Sombra Del Monte Church, 2528 Utah NE, Albuquerque, NM, one on Saturday February 17th and the other on Saturday March 17<sup>th</sup>. See you at the Meets.

## JANUARY HIGHLIGHTS MEET PHOTOS

Tom Stange receives Desert Division Life Membership award.

Christie Wilson stands beside her Polar Express poster.

Bob Mancus has train plates given as safety awards.

Sam McElwee brought his Holiday Trolley for all to enjoy.

Rebecca Peiffer pulls the first winning Raffle Ticket.

## LAUTAZI VISITATION

Angelo's fountain and trolley are two highlights of his highly mechanized action-packed layout.

Young and old alike enjoy the many facets of Angelo's "Work in Progress layout."

### WIN A LIONEL #773 in '07

Joshua Lionel Cowen had a favorite steam locomotive and in 1937 he made it a part of the Lionel Lines stable of engines. Since then it has reappeared countless times to the point where it has attained the status of "ICON." Since 1989 the Desert Division has made it possible for members to win/own one of these "icons" through a very unique raffle, the brainstorm of member Cole Gibbs. So, how does it work? Read on!

Your odds of winning? Only 100 tickets will be offered for sale and all of them MUST go to TCA members or TCA immediate family members. Tickets are \$25 each, and because we are a Federal 501c3 non-profit organization, if you do not win a monthly prize or the Hudson, then your receipt becomes a legal tax deduction. The monthly meet prize? Why, a \$100 bill AND the ticket is returned to the entire group. Therefore, it is theoretically possible to win \$100 seven times and also win the #773 Hudson. Naturally, the earlier in the year you purchase your tickets, the better are your chances of winning the "C" notes. The first drawing will be on February 10. There is ONE catch, however. You must be at the meet in order to win the \$100.

The monthly drawings occur in February, March, April, May, June, September, and October. Should any raffle tickets still be available following the October monthly meet, they will be offered for sale to the whole membership of TCA. The winning ticket for the #773 Hudson (a 1964-66 model issue) will be drawn at the November Turkey Meet. The winner need not be present.

So, start now to both win a great prize – the Lionel #773 Hudson in C-8 or better condition – and contribute to the running of the Desert Division while getting a tax deduction at the same time.

### CELL PHONE COLLECTION

Don't toss your old, deactivated cell phone away. The Desert Division is collecting them in conjunction with a recycling program and can turn your old, unwanted cell phone into money for the upcoming 2009 Convention. Help the Desert Division and clean out your unwanted clutter, all at the same time. Take out any of your personal information and bring all your unwanted and useless cell phones to our next meeting on February 10 – no chargers or peripheral equipment, just unused and unneeded cell phones.

### DUES ARE DUE

Deadline – February 28, 2007

Yes, it's that time of year again. The address label on the front of your bulletin includes the date that your dues expire. Please check to see if you need to renew. Dues are \$10 per year for up to five years in advance. This money covers any and all expenses connected with our nine open meets throughout the year, the printing of ten issues of the newsletter, food for the picnics/Pizza Meetza, raffle prizes, awards for the golf tournament, and incidental expenses which occur throughout the year.

A Desert Division Registration Form is included with this bulletin. If your label is highlighted in pink, you owe dues. If it is not highlighted, but you want to make any changes in the Membership Roster, please fill in the form and return it to the Secretary at the address on the bottom of the form. New rosters will be prepared on March 1, so don't delay. Be sure to keep your membership current by renewing today.
