PIZZA MEET ON THE PLATE

Editor's Note: We want to thank the Phoenix Elks Lodge #355 for hosting us the past eight months. Unfortunately because they are registered as a Class A restaurant, we will not be able to bring our Pizzas into the hall for our May meet. This has caused us to again meet at our auction location Paradise Valley United Methodist Church on Lincoln Dr. We will continue to follow all AZDHS guidelines when it comes to food service that are currently in place.

Plan to join us for the May meet, Free Pizza, Great Friends, and an afternoon of fun as we have our member auction. The auction is open to all members so if you have some items gathering dust under the layout bring them to the Meet and get them in the auction for only \$5 per lot. We guarantee a minimum bid of \$5 or you get your items back for free. That doesn't mean rusty track. Bring items that have been slow on your sales tables or trains or accessories that are just sitting around you no longer need. Numerous layout items are on the docket already.

The March Meet started with sales tables getting snatched up by the early birds. This was our busiest Meet in a year. While we are still not back to pre-covid meeting level attendance, with more and more Arizonian's getting the vaccine, the numbers continuing to drop, and restrictions loosening, more of our members are feeling more comfortable stepping back out into a community of likeminded people who have taken precautions like they have.

The in Meeting was called to order by the President shortly after 10 AM. A quick head count indicated we had twenty-eight (28) members present at the meeting including one new TCA and Desert Division member!

Philip Scheer, "escaped from California" his words, not ours, and is and 0 Gauge operator and collector becoming a TCA and Division member through the efforts of Janet Mattern. Philip lives in the north Phoenix area so make sure you introduce yourself to him at the next meet.

MARK YOUR CALENDAR – UPCOMING EVENTS

May 8 – May Division Meet and Pizza Meetza Auction – NOTE LOCATION CHANGE

8:30 AM member only swap – 10:00 AM General Business Meeting

11:00 AM FREE PIZZA LUNCH and AUCTION PREVIEW – 12 Noon Member Auction

Paradise Valley United Methodist Church - 4455 E Lincoln Dr, Paradise Valley, AZ 85253

June 12 – June General Meeting – STAY TUNED FOR POSSIBLE OPEN INDOOR MEET

7:30 AM Vendor Setup 9:00 AM – 11:30 AM Open to the Public

June General Meet will be held here – We are hopeful AZDHS will allow open meet
Paradise Valley United Methodist Church - 4455 E Lincoln Dr, Paradise Valley, AZ 85253

Treasurer Mark Thompson gave the budget report: Checking \$14,703.35, Savings \$3,597.20 and the CD with \$20,015.38. Even with CD rates low we continue to safely grow our surplus rather than the .02 - .03 cents we were previously getting in general passbook savings.

The President the remaining spring and early summer events. He explained the reason for having to cancel the April multi-club picnic which would have required us to spread out around the Stillman Ramada rather than being able to share the picnic table area. Scattering all the families out is the exact opposite of bringing all the clubs together for the communal and fellowship event.

Next, was the open parking lot swap meet that is scheduled for April. The meet will be held in the parking lot of the Elks Lodge. This will probably be the last of the of the open-air parking lot meets of the season as the June event will likely need to be moved indoors.

There was some discussion to holding a small swap meet prior to the Pizza Meet. (Editors Note: This thought was scrubbed because it would just be too much for one day. Instead, we are investigating the possibility of a small indoor June Meet at the same hall where we do our auctions. Stay tuned)

Chris announced the Meets that he was aware of in the coming months. GCMR is planning an open-air parking lot meet on April 24th. Next, the AZRHS will hold a show on Saturday May 15th at the Glendale Christian Church on 51st Ave. GCMR has been given the all clear to hold the Summer Cactus Meet on Saturday July 24th at the North Phoenix Baptist Church. This will be the first big train show in over a year in our area with over 120 tables available. Central Arizona Model Railroad Club is planning on hosting the return of the Beat the Heat Meet in Prescott Valley on August 21. The Gadsden Pacific Toy Train Museum is planning a train show in November. The tentative dates are November 12 & 13. The location is still being worked out. We will provide more information as it becomes available.

We have contacted the El Zaribah Shrine Auditorium in Phoenix and we are a go for Saturday November 27, 2021. We will have limited table setup on Friday afternoon and the show will

run from 9 AM until 1 PM. We will begin taking table reservation in September.

Wrapping up the announcements was the progress the 50th Anniversary Christmas Holiday Party was progressing to make for a memorable afternoon and evening. The date is one week later than normal on Sunday December 12th. This will be a Prime Rib Buffet held at the Phoenix Elks Lodge. The committee is planning on music and decorations both for our 50th Celebration as well as the Holiday and Christmas season.

The Educational Segment theme was St. Patrick's Day all the way to Easter, and our members did not disappoint! **Paul Wassermann** brought in a wonderful collection of Lionel and Marx "Bunny" sets. Paul made it clear that these were from Irene's collection and told the story of they acquired many of them, including getting the wrong set box with a Lionel Bunny handcar and then beginning the search for the proper Marx bunny to go in the set box. On display from Irene's collection was a rare Lionel windup floor toy bunny and the Marx Bunny Express boxed set. **Katie Eagar** went with the St. Patrick's theme and brought in the famous Paradise & Pacific Weaver Shamrock Farms 40' scale tank car. These cars were produced in three road numbers and proved much to fragile for regular use. Katie also had a Kennecott Copper and Lehigh Valley Hopper in green to keep with her St. Patty's theme. **John Zaval** brought in a pair of Lionel postwar 6800 flat cars with the airplane load and talked about the difference in the cars with the location of the 6800 numbering and trucks. John also has an ATSF medallion and was asking for help in identifying it's source. **Chris Allen** spoke about the TTML Zoom Meetings online during the Covid crisis. He mentioned that a recent topic online was the care and cleaning of postwar trains and gave his particular method that he adopted years ago from an article written by Terry Gibbs.

Raffle Prize winners in no particular order Angelo Lautazi – Hudson Ticket. Because of space, only the winners names are printed: Gordon Wilson, Peter Zwerin, Mark Thompson, Ralph Treichel, Bill Richardson, and Dana Price – The return of the Hudson drawing saw Mike Dietrich win the first Hudson Hundred in over a year.

MARCH MEET PHOTOS

The return of the Coffee Club! Janet individually bagged the donuts so we all could enjoy them

Who is that masked man? Jim Caras was setup early with a large table of goodies

Ralph Treichel and Katie Elgar enjoy a chat before the meeting started

Irene Wassermann's Lionel and Marx Easter bunny handcars and train.

John Zaval had a pair of postwar Lionel 6800 flat cars with the airplane load

VP Mike Dietrich wins the first Hudson Hundred in a year. Everyone was glad to see us resume that raffle

TCA Desert Division BOD Teleconference March 10, 2021

A Desert Division Board of Directors Teleconference was held on March 10, 2021, and was called to order at 7:00 PM MST

In Attendance; Chris Allen, Angelo Lautazi, Steve Bienstock, Paul Wassermann and Greg Palmer

Approval of Previous Meetings Minutes – Previous minutes were approved as distributed.

Secretary's Report - Angelo reported that current Division active (dues paying) membership is 185.

Treasurers Report - Treasurer Mark Thompson had to miss the meeting because of a previous commitment. Mark will report to the membership at the March 13 meeting.

Old Business:

Division Incorporation – The IRS has granted TCA Desert Division a 501c3 classification. Because the incorporation documents were filed with the state of Arizona in August 2020 the Division will need to file a 2020 tax return. Chris will notify both the Division officers and TCA National when the form is filed.

New Business:

Upcoming Meets – There will be an in person Meet Saturday March 13th. We will resume the Hudson drawing at this meet and award \$100 to the member present. An open-air Parking Lot Swap Meet is scheduled for April 10th. Since this is an open Meet, there will be no Hudson drawing.

Pizza Meet and Auction – The Pizza Meet and Auction will be held Saturday May 8th at Paradise Valley United Methodist Church We will be allowed to serve soda and water from coolers however the pizza will need to be served by a volunteer wearing gloves, members will not be allowed to serve themselves from the Pizza boxes. Chris proposed opening up the hall to a small train meet prior to the member auction and be open to the public. The income for the tables would help to offset the cost of the pizzas and might give us a larger audience for the member auction. No decision was reached pending speaking with the church about max occupancy restrictions.

Spring Picnic April 17th – There was a discussion if we could safely hold the spring picnic in five weeks. Although things are improving the future is not clear on when the mass gathering limit will be lifted. Unlike restaurants that have protective barriers between diners, we will have members sit shoulder to shoulder at picnic tables. It was decided that there is still too much risk involved to host the picnic safely. Chris will notify the other clubs of the Boards decision.

Rio Grande Pumpkin Meet – At present time with the current restrictions in place the Chapter is unable to enter into any contract negotiations to hold the meet.

Fall Train Auction – The auction is nearly full however no date has been set because of the uncertainty of the fall train show schedules. The probable location will be the Paradise Valley United Methodist Church.

Fall Train Show Shrine Auditorium – We have our contract carried over from last year and the Meet is scheduled for November 27th at the Shrine Auditorium in Phoenix. We are working with the Shrine staff to resume the show.

Division Roster and Membership cards for 2021 – After some discussion it was decided to update the roster and then email it to our members. Chris will print a limited amount and mail them to those members without emails. We will forgo the printing of the membership card for this year.

Module Trailer on the Move – Because of a schedule conflict we have been asked to supply the module trailer for the Paradise & Pacific Club to operate at the PVUMC Easter Program on March 27th. The P&P members will setup, operate, and take down the module. Chris will drop off and pick up the module for the club to use.

50th Anniversary Car – Sales have been terribly slow for this prototypical car. Many options were discussed and it was decided to contact Lionel to see if our order size could be reduced to minimize the large financial risk the Division is facing. Chris will contact Peter and discuss the situation.

eBay Selling – It was decided to resume selling a few donated items (primarily east coast road names) on eBay to help offset some of this years expenses.

Adjournment: The next meeting will be held by teleconference at a date to be determined. Meeting was adjourned at 7:55 PM

Minutes submitted by: Secretary, Angelo Lautazi

Presidents Message

Dear Friends,

Desert Division has met in accordance with the Arizona Department of Health Service guidelines since last October. We are grateful to the Phoenix Elks Lodge allowing us to meet for the past eight months. Since the Elks Lodge is registered as a restaurant, we were able to meet in one of their dining rooms when the state opened indoor dining last fall. Since they provide food service, we had the same restrictions any restaurant has prohibiting outside food. Not having coffee and donuts was a small price to pay for us to begin having monthly meets again and being able to meet with friends and talk trains. I continue to be optimistic about the rest of 2021 and continue to plan Division activities accordingly.

Mark Thompson worked his magic, and we were able to rent the room at the price we had budgeted for the new location. That location was hit very hard financially by the pandemic and may not reopen in the near term. While that location is still currently closed, we have found another church that has partially opened and the meeting room size restrictions work for our meetings. More importantly for us, they will allow us to bring in food from outside vendors.

We will be meeting at Paradise Valley United Methodist Church for the May Pizza Meet and the June general Meet. The food service for the Pizza Meet will be done in accordance with the restriction they and the state of Arizona have placed on us. Rather than you walking down a line of open pizza boxes to look inside and see what strikes your fancy, we will have volunteers placing pizza on a plate for you to enjoy. To make it easy on the volunteers we will have a limited but still tasty selection of past favorites. And as always, take as much as you want, but eat what you take. We will have soda pop and water as well as coffee and donuts.

I am glad to see the summer train meet schedule is getting back to normal. We are hearing more and more clubs are planning to have indoor meets again. The Grand Canyon Model Railroaders are planning to host the summer Cactus Meet in July at the North Phoenix Baptist Church on Bethany Home Rd. and the Central Arizona Model Railroad Club is planning to host the Beat the Heat Meet in Prescott Valley in August. I am hearing that sales tables are selling at a brisk pace for both events.

Along that same line the TCA National Convention is being held in Southern California in August. With the unfortunate need to cancel the convention last year we are in the unique position of have back-to-back TCA National conventions roughly a six-hour drive from us here in Arizona. The convention this year will be a condensed version of past National Conventions starting on Wednesday and ending with the Banquet on Saturday evening. Of course the trading pits will be open on Friday and Saturday along with some fantastic layout tours planned, so I hope you will join me there. Who knows, we might even take the module trailer along and play with trains while we are there.

We are currently working on the fall meeting schedule to secure meeting locations. One of the options we are looking at is to hold an Outdoor or Indoor Meet in October. The location is still yet to be determined. We have confirmed the date for the November Train Show on Saturday November 27th back again at the Shrine Auditorium in Phoenix.

We might have been slowed down the past few months but as with any train on a siding, we are now pulling back on the mainline with green lights ahead.

Stay safe until we can get together again.

- Chris

PICTURES FROM THE APRIL TAILGATE MEET

Who traveled the farthest to the Meet? Phil Morin is from Arkansas and came down from Pine for the show. I think he wins on both counts.

DeLon was away from the sales table when the photographer visited, and he's gone for the summer as well. He'll be back in the fall.

National TCA Secretary Katie Elgar is wrapping up another sale from the meet.

John Zavala was all setup with postwar and some modern era trains. A little bit of everything for everybody.

TCA member Keith Olmanni had the buyers lined up in front of his table

Who is that masked man? It appears that Bill Harris still does not have enough trains...

TALE OF THE SHOW CHRISTMAS ANGEL

by Peter Atonna

At our auctions there always seem to be a few items that say, **"buy me"**. At the January one, in addition to a couple of others, **lot 251 contained a Lionel 6434 "chicken car"** that I thought was cool and really wanted a place on my new, upstairs postwar themed layout.

When the fellows brought the lot up for sale, there was a little Christmas angel sitting on the roof of the car. I asked what it was for and the fellows said it was just sitting there with the lot, so they brought it up to go with that lot.

I was fortunate and won the bid, so I mentioned to the fellows to do what they **wanted with the angel**. "No" they said, "it went with the lot!"

So, it came home with me.

Now that it is here, I have grown attracted to her! No, she is not on the car the way she came home but has been given a **permanent home at the "York" train station**.

Who knows, at the upcoming Pizza Auction you just might find a devil of a deal.

PIZZA MEET MAY 8th

Desert Division is pleased to host our annual Pizza Meetza Auction. This auction offers the opportunity to purchase, at auction, a wide variety of trains, track, buildings, transformers, from our members. You still have time to participate! Bring your items to the May Meet, Saturday, May 8 and check in with auction chairman Paul Malek. The auction will be held following the General Meeting and pizza lunch.

TIMES ARE APPROXIMATE! It is anticipated that the General Meeting will end at 11:00 AM. We invite you to enjoy a casual lunch while the auction crew sets up the items for your viewing and inspection. The setup should take about one hour. The items will be available for viewing for 30 minutes prior to the auction itself. To avoid confusion and speed the setup we ask that you do

not begin viewing the items until invited to do so by the auctioneer. We hope to begin the auction before 12:30 PM.

All items will be sold in lots, as is where is, there is no warranty as to the condition of any item. Although known or obvious defects will be noted by the auctioneer, you should examine all items before bidding. Buyers are strongly advised to examine each item of interest during the viewing and inspection time prior to the auction. Purchases are final upon payment and receipt of your purchases.

All bidders must have a bidder's card. Each successful bid will be entered into a journal kept by the Treasurer. Decisions on bidding and successful bids will be made by the auctioneer and will be final.

This page is provided as a service to our members for trading among themselves on a space available basis. Contact them directly for items listed above. Contact Editor when your item sells so space can be made available to other members.

****DEADLINE FOR AD's – THIRD SATURDAY OF THE MONTH ****

The Back Page – Late news or items that did not fit elsewhere

MAY EDUCATIONAL SEGMENT

You should never need a prompt to bring something to share at during the Educational Segment. In fact some of our best segments have been when members found something unusual and just wanted to share it with the group. With the reopening of the swap meets maybe you found something you have been looking for, if so, bring it in. However if you need some prompting, here are some ideas. What goes better with pizza than cold beer or soda? Many of us have a collection of Beer and Soda Pop reefers from the MPC era. Also the Sunday after the meet is **Mother's Day**. No, I don't want a speech on how your wife got half the trains in the settlement, but maybe something special she got you. We hit our first 100° maybe something in your stash reminds you of the days to come. Whatever you can find, bring it along and share with the group.

DIVISION MEET DATE & LOCATION

Paradise Valley United Methodist Church
4455 E. Lincoln Dr.
Paradise Valley, AZ 85253

Can't attend the meet in person? We broadcast the Meet live on Facebook so you can tune in and virtually join the fun!

Click on the button to follow us on Facebook or YouTube

TRAILER RETURNS TO TCA NATIONAL CONVENTION

In case you haven't heard there is another National Convention just hours away. As TCA and all our fellow Divisions work to restore the fellowship and fun of the hobby, the TCA National Convention was moved from June to August. Along with the date change was a location change as well, with the convention now being held at the Burbank Marriott Hotel. This will be a shortened convention and one that works for many Arizonians. Many of us head for the beaches in Southern California for a few days and here is your opportunity to do both. Spend a few days at the beach either before or after and take in the convention and friendships you've been missing. Desert Division is delighted to help, and we will be setting up the trailer module in the public display area and running trains during the convention so make sure you stop by and say hello, or better yet spend a few hours running trains with us.
